

www.HowAreYouLiving.com

Hello,

The answers you give below will ensure we get your site just the way you want it. Please be very picky. I want you to be completely satisfied!

What will be the color scheme of your site? _____

What date do you want to launch your new Website? _____

What domain name would you like? _____ (.com, .biz, .net, etc.?)

Do you want a matching email address? _____

Do you have an official business logo image to display? (Please send by email)

Name 2 Websites that have the appeal you desire for your site

1. _____
2. _____

What style, structure or form elements stand out on each of those 2 sites?

1. _____
2. _____

How many pages do you need? _____

Do you want to show a photo gallery? _____ How many images? _____

List any links you want posted from other organizations, charities or other businesses? (Associations, sororities, etc.)

1. _____
2. _____
3. _____

Do you want online and mobile payment collection capability using PayPal? _____

What contact information to be posted on the Website?

1. Phone # _____
2. E-mail address _____

I look forward to getting this project moving and I promise to do the very best job possible in a reasonable timeframe and at low cost!
